

Part 2

Well, I'd like to say welcome to Thornton Sports and Leisure Club. My name's Peter and I'm one of the managers here. I'll just tell you briefly about the club's facilities

and membership, and then I'll leave you to wander round and look.

First of all, facilities. We have two golf courses, one an older, nine-hole course, which is very suitable if you haven't played much golf before. And a brand new, 18-hole course, which is challenging even for experienced players. In fact, every year our club will be hosting a tournament at the international level..... Apart from the courses we also have a practice green, and we offer intensive courses for people who've never played golf before.

Apart from golf, our other outdoor sporting facility is tennis courts. These can be used for most of the year, because the weather in this area's so mild, as you all know, of course. In fact, they're only closed during November and December, when we do routine maintenance work on them. And we have plenty of things to do indoors... families generally like to use our swimming pools, for example—there's a 25 meter one for adults and a smaller one for children. Then there's the gym. It's got the latest exercise equipment—we've added over 40 pieces of new equipment in the past year alone—as well as music and TV.

And last year we opened a new weight-training gym. There are specially trained instructors on hand in both gyms who can design fitness programs for your own personal needs, or answer any questions you have about the equipment. Lastly, we have two exercise studios, and a lot of different types and levels of exercise classes. Everyone will be able to find something to suit them. In studio 1 you can do classes in indoor cycling, for example, and in studio 2 you can do freestyle step and aerobics. Or you can do aqua aerobics in the pool. All of our classes are led by qualified instructors, and they know how to create workouts that are safe. And fun as well, I hope!

We offer two levels of membership: full membership, which includes the use of all our facilities, and gives you a 20 percent discount on all meals bought in the restaurant here. And then there's a leisure membership, which allows you access to all the facilities except golf. And that gives you a 10 percent discount on food bought on the premises. Well, I'll give you some time to look around now, and we'll start here on the ground floor. From the entrance, you'll first enter the lobby. If you continue straight on from the lobby you'll enter our ballroom. This is where we hold our annual dinner for members and other formal events. If you are looking for the locker rooms, take the door to the right of the lobby, turn left down the hallway, and they are on your right hand side. Also on this side of the clubhouse you find the indoor pool, which is just to the right of the locker rooms. If you go through the left hand doorway from the lobby, you'll find our members lounge and our exercise

room. The lounge is the first door on the left hand side of the hallway. The exercise room is the large room on the right.

Question 1-15

Part 1

1.

 - A. She's sitting on the grass.
 - B. She's working in the garden.
 - C. She's digging up the field.
 - D. She's planting trees in the soil.

- Q: What's playing at the City Theater?
- A. It's on Boulder Avenue.
 - B. There are many theaters in the city.
 - C. Nothing I haven't already seen.

Part 3

13-15

- M: Hello, I wonder if you can help me. I bought this tent last month and took it on a camping trip last week. It rained the first night, and we found a hole in the tent. Everything got soaked!
- W: Oh, I'm sorry to hear that. We can give you a replacement, or if you no longer have the receipt, we can repair this tent.
- M: Well, actually I would prefer to get a refund. I've heard other people had similar problems with this model.
- W: Okay, well, in that case we'll definitely need a receipt.
